

DEER VALLEY WOMEN'S GOLF CLUB
Picnic and Election of Officers
Wednesday, October 30, 2019
Beardsley Park

The day began with a wonderful picnic. Food was wonderful, camaraderie was great, and the wind was present! Margi Cantrell and the social committee did a wonderful job and all 51 ladies attending appreciated their hard work and commitment!!

Nibby Muso was our guest and spoke about his job with Deer Valley. He is very open to suggestions on what we would like to see occur at the course, including food choices and clothing choices to buy.

Following Nibby's presentation, the meeting was called to order at 12:24 by President Margie Zener.

The minutes from the March 27th Spring General Meeting were approved as written.

Connie O'Neal gave the Treasurer's Report. Beginning balance was \$2729.08. Deposits were \$492.00. Expenses were \$159.57. Balance is now \$3061.51.

There were no new members present to introduce.

Margie pointed out the importance of Pace of Play. The courses are going to be pretty full now that the population is increasing in Sun City West. Please play ready golf!! The President's Cup is being played on November 12th and 19th. Ace and Aces was moved to December 3rd. It is also important to post ALL SCORES, rather they be on regulation or executive courses. All courses are now rated so scores can be posted for all of them.

Janie Braswell has agreed to do the 2019 Audit. Jane Richardson made a motion to accept and Janice Runnels seconded. Passed.

MEMBERSHIP: Janice Runnels. It is time to pay our \$50.00 dues. If you have not paid by December 15th, that goes up to \$65.00. Janice will also accept your \$3.00 dues for Ringers. As of this date we have 191 golfing members and 10 social members.

SAFETY: Margie thanks Sue Nicks for serving as the safety chair and welcomed Sharon Powell as the new chair. Sharon asked that people report any unsafe issue they are aware of so that Sharon can address it with the powers that be.

TEAM PLAY: Peg Wynkoop. Peg explained a little about what Team Play is. You will see them some Thursdays in their new blue shirts. We wish them lots of luck representing DVWG!!

SOCIALS: Margi Cantrell. She gave us a heads up that Grandview Terrace has recently applied for a liquor license. If it comes to fruition before our Christmas luncheon there on December 4th then we will not be able to bring in our own wine - we will be drinking there's at a cost of \$5.00 per glass. This might alter our location for 2020 but, we are still meeting there on December 4th of this year.

ELECTION OF OFFICERS: The following officers were elected unanimously for the 2020 golf year.

Jane Richardson - President
Marti Chaney - Vice President
Vicki Mitchell - Secretary
Cheryl Patton - Treasurer

Meeting was adjourned at 1:05 pm.

Respectfully submitted,
Vicki Mitchell
