Committees Continued

## **Section B – Permanent (Standing) Committee**

### **Current:**

Permanent (standing) committees, at a minimum, shall include Safety and Audit.

A Safety committee of not less than three (3) Club members in good standing shall be appointed each year by the Board of Directors. The committee shall be on the alert for any hazards or unsafe conditions on the Deer Valley Golf Course or any of its environs. Any unsafe conditions shall be promptly reported to the proper responsible individuals for resolution.

An Audit committee appointed each year by the Board of Directors would remain in force until relieved by the next incoming Board of Directors.

### **Proposed Change:**

Permanent (Standing) Committees will include A Safety Committee and an Audit Committee. Additional committees will be brought to a vote by the Club Board.
