Using your GHIN number assigned by the AGA, this web site allows you to post and view scores that are posted to your account (either by you or the DVWGC monitor after each week's play). You can also use various tools provided to determine your handicap on thousands of golf courses in Arizona, the United States, North America and the world.

Your user ID for this web site is your assigned GHIN number, and you will need to establish a password and also provide your email address.
