She said that there were still two more Tuesdays to sign up so we were on track for approximately 100 attendees. The luncheon will be held in the RH Johnson West Hall.
Karen also reported the David Eikner, a member of the SCW Rules Committee, a certified USGA Rules Official and a past President of the Pebblebrook Golf Course, will give a talk on rules specific to the Sun City West golf courses. He will have a short question and answer session after.
There will be a game of trivia for the attendees for entertainment.

Marla Duffield said that she would be sending the match play results in to the paper but had not done so yet. She will send in flight winners only as otherwise the results would be too large and take up too much space.

Sherry reported the DVMGA, President, Ray Passarella, had sent a memo to her inquiring about starting up an annual tournament with the men's and women's association combined like there had been in the past. She will talk to Ray to see what he had in mind as to days/times, etc., and report back.

Sherry sent out an email on playing the Green Tees and only 2 people answered her. There was discussion on how to change up the wording in DV's guidelines to include more people to be eligible, and take away any negative stigmas. She will send out the other SCW club's guidelines for Green Tee Players to the board members so that we can all read what the other clubs do and offer suggestions on how we might change Deer Valley's. We will discuss further at the next meeting.

Having no further business, Sherry adjourned the meeting at 12:10 pm.

Respectfully submitted by,

Cathy Lowman
